Evangel Guests,

On behalf of the Evangel family, it's my joy to welcome you today. Thank you for joining us in worship. We're so pleased that you have come and we trust your visit will prove to be a very positive experience.

Here at Evangel, we embrace the life-changing power of God's Spirit. We have found that faith in Jesus Christ gives shape and meaning to all of life's experiences and results in great things.

If you are looking to become a part of a community of believers who share life together- the good and the bad - then we sincerely invite you to join us. Let's share together, learn together and become all God would have us to become.

Would you please take a moment and fill out the "welcome guests" tear off portion of this bulletin and return it to me at the conclusion of today's service? I look forward to meeting you personally.

May God bless you!

Pastor Mark Ryder

**We accept the Bible as the word of God, the guide for what we believe and how we live... We wait on God in worship and prayer, believing such an attitude honors the Lord and prepares us for ministry... We believe our faith is strengthened as we interact and grow with other believers... We humbly acknowledge our dependence upon the Holy Spirit in all things**
